

DAVIDE MORELLATO

Jr Full Stack Web Developer

ABOUT ME

My different work background allowed me to slowly approach web development and develop my skills, which ultimately led to achieving a balance between *problem-solving*, *determination*, critical thinking, meticulous *time management*, and excellent *teamwork*. I believe that curiosity is the most effective form of intelligence.

EXPERIENCES

Full Stack Web Developer Trainee | 2024

A course that allowed me to experiment and implement different functionalities in the various exercises addressed:

- **Bootstrap Dashboard** creating a static responsive page, using HTML5, CSS3 and Bootstrap.
- **Vite Boolflix** dynamic and responsive project, realized with Vue.js, Vite and Sass.
- **Laravel Template + Vite Boolfolio** individual project divided into two repos, including the *Back-End* part using Laravel, Vite and Bootstrap, while the *Front-End* with Vue.js, Vite and Sass.

For other projects please visit my github profile.

Pharmaceutical Operator of Sterile Chamber | 2020 - 2023

My experience in the pharmaceutical industry has helped me refine my approach to the various problems that often occur and work in teams, always allowing me to achieve corporate goals.

Sous Chef (in Italy, Switzerland, England) | 2014 - 2020

In the restaurants learned to manage different situations, even under stress, learning the importance of teamwork and moving towards a more efficient and effective problem solving.
